Our morning service is usually more 'traditional Methodist' but in the evening, especially when we have 'Local Arrangements', the service is usually quieter and more reflective.

These meetings are private hirings. You can just turn up at the time and ask the organiser, or we can provide you with a contact number.

We are Rochford Methodist Church.

We are a traditional Methodist Church but with a modern attitude towards worship. We are friendly and welcoming, especially to those who do not attend a church regularly. If you do not go to a church at all and want to start, why not start your 'journey in faith' with us?

We are currently working through *Pilgrims Way* - a method by which we look at what we are as a church and identify how we should develop together as a congregation.

Methodists have been in Rochford since 1822, and we have been in our current building since 1881. If you have been living in Rochford since 1971, you would have seen a series of changes to our buildings which has resulted in a modern flexible building.

We have several meetings of our own during the week, but we also have several public organisations who use our premises. (For a full list of meetings, see the next page)

If you have any questions, about the Christian Faith or about Rochford Methodist Church in particular, please fill in the contact form overleaf or use one of the contact methods mentioned.
